# Best Paper Contest

A structured abstract is required for paper presentation and should be organized into the following sections:

Title: Author list and Institution (Maximum of 4 authors including the presenting author who contributed directly to the work. Full address of the institution must be provided).

Aim / Materials and Methods / Results / Conclusion

Word Limit: 250 (excluding the details of authors, institutions and the title of the abstract).

Font: Times New Roman / Font Size: 12

In general, original research, important new observations, and other presentations that represent substantial work with demonstrable results are appropriate for scientific presentations. Submissions that are not in the prescribed format will not be entertained.

DO NOT submit the same abstract for E poster and the Best paper simultaneously. Best 2 papers will be selected by an independent double blinded jury for podium presentation. The rest will automatically be accepted for e poster category.

No changes in the abstract contents and the authorship will be allowed after the final submission.

The acceptance of abstract for Best paper/ Eposter will be informed by mail individually.
