Pune, the educational hub of India and the cultural capital of Maharashtra is in the pink of its health on the New Year Eve. The weather is misty, the environ's cool and it is the most appropriate moment to gather together for our annual academic event PSSCON 2024 25. This year also we are coming up with a colorectal themed live workshop from Life point Hospital, Wakad and our annual Ceremonial talks and best paper and video presentations. With a complete range of colorectal surgeries to be performed by stalwarts in the field; this event should not be missed.

Apart from this, there are surprises that await you. So hurry up and register soon.
